## TRAFFIC MANAGEMENT INFORMATION

### MOTOGP - 5-7 AUGUST 2022

We will have traffic management in operation for the MONSTER ENERGY MOTOGP BRITISH GRAND PRIX 2022.

All the information in this leaflet applies for this event, **except that it is not our intention to run a one-way system on the A43 on Friday or Saturday** although the option remains to be used in extreme situations as a contingency.

The only one-way system planned for Friday and Saturday relate to the Dadford Road, with the same system as detailed in this leaflet for Formula 1 British Grand Prix.

If circumstances change and we are forced to turn a one-way system on for the A43 on Friday or Saturday, the details will be posted on [www.silverstone.co.uk/residents](http://www.silverstone.co.uk/residents) and local village Facebook groups. Timings for the implementation of the one way system on Sunday 7 August may vary from the Formula 1 British Grand Prix and timings will be detailed on our website.
